1. INTRODUCTION

Section 139(1) of the Income-tax Act, 1961 (hereinafter referred to as "Act") mandates each person to file/submit the Return of Income on or before the due date prescribed under the Act, based on the irrespective category and status. The due dates and return of income to be filed is based on the nature of income, applicability of the audits and other provisions of the Act. The reporting of income to be declared is the criteria for selection of the prescribed ITR and submission of the form online as per the amended provisions of the Act. The Act prescribes that every individual or HUF or AOP or BOI or AJP having income exceeding the specified basic exemption limit as per the applicable Finance Act, before availing the deductions under Chapter VIA to file and submit the return of income. For firms and companies, the Act mandates for compulsory filing despite having incurred a loss. CBDT prescribes the reporting of income in the requisite prescribed formats notified under Rule 12 of the Income-tax Rules, 1962.

Vide Notification No. G.S.R. 332(E) dated 3rd April, 2018, the CBDT has, in exercise of the powers conferred by section 139 read with section 295 of the Income-tax Act, 1961, notified new Income Tax Returns, which are applicable for the Assessment Year 2018-19. These Income Tax Return Forms have been made available on the website of Income tax Department. It may be noted that there has been no change in the number of forms in comparison to the previous Assessment Year i.e. AY 2017-18. The ITR forms have been modified not only to bring the forms in line with the amendments applicable to A.Y. 2018-19, but also to get the additional information directly from the assessee which can be used for precise processing of returns u/s 143(1) and more informed selection of cases for scrutiny. The declarations made by the assessee in the ITR form can now be cross checked and verified with the information collected from the other tax authorities/departments, to ensure that the income earned does not escape tax.

[Section 43B]

5. RATIONALE BEHIND THE SELECT AMENDMENTS – CBDT CIRCULAR NO. 2 OF 2018 DT. 15.02.18 AND CERTAIN CONTRARY JUDICIAL RULINGS

Late Fee u/s 234*F*: In view of the non-intrusive information-driven approach for improving tax compliance and effective utilization of information in tax administration, it is important that the returns are filed within the due dates specified in section 139(1) of the Income-tax Act. Further, the reduced time limits provided for making of assessment are also based on pre-requisite that returns are filed on time. In order to ensure that return is filed within due date, a new section 234F has been inserted in the Income-tax Act to provide for fee for delay in filing returns.

Consequentially, it is also provided that the provisions of section 271F of the Income-tax Act in respect of penalty for failure to furnish return of income shall not apply in respect of assessment year 2018-19 and onwards.

Reduction in time to file revised return u/s **139**(5): In order to expedite scrutiny assessments, it is critical that the returns for an assessment year also freeze by the end of the assessment year. Therefore, the provisions of sub-section (5) of section 139 of the Income-tax Act have also been amended to provide that the time for furnishing of revised return shall be available up to the end of the relevant assessment year or before the completion of assessment, whichever is earlier.

Profit on transfer of unquoted shares-Section 50CA: In order to ensure that the full value of consideration is not understated, the Income-tax Act also contains provisions for deeming of full value of consideration in certain cases such as deeming of stamp duty value as full value of consideration for transfer of immovable property in certain cases.

In order to rationalise the provisions relating to deeming of full value of consideration for computation of income under the head "capital gains", a new section 50CA has been inserted in the Income-tax Act so as to provide that where consideration for transfer of share of a company (other than quoted share) is less than the Fair Market Value (FMV) of such share determined in accordance with the prescribed manner, the FMV shall be deemed to be the full value of consideration for the purposes of computing income under the head "Capital gains".

Disallowances under the head other sources for TDS defaults-Section 58: Section 58 of the Income-tax Act specifies the amounts which are not deductible in computing the income under the head "Income from other sources".

For computing income under the head "Profits and gains of business or profession", a disallowance is made for non-deduction of tax from payment to resident also. With a view to improve compliance of provisions relating to tax deduction at source (TDS), section 58 of the Income-tax Act has been amended so as to provide that the provisions of section 40(a)(ia) of the Income-tax Act shall, so far as they may be, apply in computing income chargeable under the head "Income from other sources" as they apply in computing income chargeable under the head "Profit and gains of business or Profession".

Restriction on set-off of loss from House Property-Section 71(3A): In line with the international best practices, a new sub-section (3A) has been inserted in the section 71 to provide that set-off of loss under the head Income from house property against any other head of income shall be restricted to two lakh rupees for any assessment year. However, the unabsorbed loss shall be allowed to be carried forward for set-off in subsequent years in accordance with the provisions of the Income-tax Act.

Taxation of dividend income - Section 115BBDA: Before amendment, the provisions contained in section 115BBDA of the Income-tax Act specified that income by way of dividend in excess of Rs. 10 lakh shall be chargeable to tax at the rate of 10% on gross basis in case of a resident individual, Hindu undivided family or firm.

With a view to ensure horizontal equity among all categories of tax payers deriving income from dividend, section 115BBDA has been amended so as to specify that the provisions of said section shall be applicable to all resident assesses except domestic company and certain funds, trusts, institutions, etc.

Deemed gifts-Section 56(2)(x): In order to prevent the practice of receiving the sum of money or the property without consideration or for inadequate consideration, a new clause (x) has been inserted in sub-section (2) of section 56 of the Income-tax Act so as to provide that receipt of the sum of money or the property by any person without consideration or for inadequate consideration in excess of Rs. 50,000 shall be chargeable to tax in the hands of the recipient under the head "Income from other sources". Earlier, the scope of section was limited to such receipts only in the hands of Individual and HUF [*S.* 56(2)(*vi*) *up to A.Y.* 17-18]. The scope of exceptions has also been widened by including the receipt by certain trusts or institutions and receipt by way of certain transfers not regarded as transfer under section 47 of the Income-tax Act.

Consequential amendments have also been made under section 49 of the Incometax Act for determination of cost of acquisition and section 2(24) of the Income-tax Act to include sum of money or value of property referred to in section 56(2)(x) of the Income-tax Act in the definition of income.

Rulings no longer relevant: Any sum exceeding Rs. 50,000/- can fall within ambit of section 56(2)(*vi*) only if it is received by an individual or HUF; where assessee was an AOP, sum of Rs. 1.60 crore received by it without consideration could not be included in its total income within the framework of section 56(2)(*vi*) [*Now* 56(2)(*x*)] [*Mridu Hari Dalmia Pariwar Trust vs. AO* [2016] 179 TTJ 577 (*Delhi*), etc.]

Exemption of LTCG u/s 10(38): Clause (38) of Section 10 of the Income-tax Act, before amendment by the Finance Act,2017, provided that the income arising from a transfer of long term capital asset, being equity share of a company or a unit of an equity oriented fund, shall be exempt from tax if the transaction of sale is undertaken on or after 1st October, 2014 and is chargeable to Securities Transaction Tax under Chapter VII of the Finance (No.2) Act, 2004.

It has been noticed that exemption provided under section 10(38) is being misused by certain persons for declaring their unaccounted income as exempt long-term capital gains by entering into sham transactions. With a view to prevent this abuse, section 10(38) has been amended to provide that exemption under this section for income arising on transfer of equity share acquired or on after 01-10-2004 shall be available only if the acquisition of share is chargeable to STT. However, the exemption shall continue in genuine cases where the STT could not have been paid like acquisition of share in IPO, FPO, bonus or right issue by a listed company, acquisition by non-resident in accordance with FDI policy, etc. [*Refer Not. No. 43/2017 dt. 05.06.17*]

Rulings overruled by this amendment: Where assessee having purchased shares in physical form, converted them in Dematerialisation form and thereupon sale of those shares was carried out through recognized stock exchange after paying securities transaction tax, said transactions were to be regarded as genuine in nature and, therefore, assessee's claim for exemption under section 10(38) was to be allowed. [*ITO v. Ajay Shantilal Lalwani* [2012] 52 *SOT* 101 (*URO*) (*Pune*), *ITO v. Smt. Aarti Mittal* [2014] 149 *ITD* 728 (*Hyd.*), *Etc.*]

Income from transfer of carbon credits-Section 115BBG: In order to bring clarity on the issue of taxation of income from transfer of carbon credits and to encourage measures to protect the environment, a new section 115BBG has been inserted in the Income-tax Act so as to provide that where the total income of the assessee includes any income from transfer of carbon credit, such income shall be taxable at the concessional rate of ten per cent (plus applicable surcharge and cess) on

the gross amount of such income. No expenditure or allowance in respect of such income shall be allowed under the Income-tax Act.

Rulings no longer relevant: Since carbon credit was generated out of environmental concerns and it was not having character of trading activity, receipt from sale of carbon credit was capital receipt and not business income. [CIT v. Subhash Kabini Power Corporation Ltd. [2016] 69 taxmann.com 394 (Kar.), *CIT v.My Home Power Ltd.* [2014] 46 taxmann.com 314 (AP), *DCIT v.Kalpataru Power Transmission Ltd.* [2017] 162 ITD 18 (Ahd.) etc.]

Change or modifications of object by charitable institutions-Section 12A(1)(*ab*): The provisions of section 12AA of the Income-tax Act provide for registration of the trust or institution which entitles them to the benefit of sections 11 and 12. Section 12AA also provides the circumstances under which registration can be cancelled, one such circumstance being satisfaction of the CIT that its activities are not genuine or are not being carried out in accordance with its objects subsequent to grant of registration. However, before amendment by the Act, there was no explicit provision in the Income-tax Act which mandates said trust or institution to approach for fresh registration in the event of adoption or undertaking modifications of the objects after the registration has been granted.

Therefore, section 12A of the Income-tax Act has been amended to provide that where a trust or an institution has been granted registration under section 12AA or has obtained registration at any time under section 12A [as it stood before its amendment by the Finance (No. 2) Act, 1996] and, subsequently, it has adopted or undertaken modifications of the objects which do not conform to the conditions of registration, it shall be required to obtain fresh registration by making an application within a period of thirty days from the date of such adoption or modifications of the objects in the prescribed form and manner.

Further, amendment to section 12A of the Income-tax Act has been made so as to provide for additional condition that the person in receipt of the income chargeable to income-tax shall furnish the return of income within the time allowed under section 139 of the Income-tax Act.

Ruling affirmed by the said amendment: Mumbai Tribunal held that when there was change in objects of assessee-society which had been granted registration under section 12A, it couldn't claim automatic benefits under sections 11 and 13 for those altered objects unless said changes were vetted by revenue authorities. [Board of Control for Cricket in India v. ITO 136 ITD 301 (Mum.)]

No exemption for corpus donation by exempt entities to other exempt entities-Expln. 2 to Section 11(2): Earlier, donation given by these exempt entities to another exempt entity, with specific direction that it shall form part of corpus, was though considered application of income in the hands of donor trust but was not considered as income of the recipient trust. Trusts, thus, engaged in giving corpus donations without actual applications.

Therefore, a new Explanation has been inserted to section 11 of the Income-tax Act so as to provide that any amount credited or paid, out of income referred to in clause (a) or clause (b) of sub-section (1) of section 11, being contributions with specific direction that they shall form part of the corpus of the trust or institution, shall not be treated as application of income.

A proviso has also been inserted in clause (23C) of section 10 of the Income-tax Act so as to provide similar restriction as above on the entities exempt under subclauses (iv), (v), (vi) or (via) of said clause in respect of any amount credited or paid out of their income.

Transparency in political fundings-Section 13A: The provisions of section 13A of the Income-tax Act provide inter alia that political parties that are registered with the Election Commission of India are exempt from paying income-tax. To avail the exemption, the political parties are required to submit a report to the Election Commission of India as mandated under sub-section (3) of section 29C of the Representation of the People Act, 1951 (43 of 1951) furnishing the details of contributions received by a political party in excess of Rs. 20,000 from any person. However, before amendment by the Act, there was no restriction of receipt of any amount of donation in cash by a political party. Further, before amendment by the Act, filing of the return was not a condition precedent for availing exemption under the said section.

In order to discourage the cash transactions and to bring transparency in the source of funding to political parties, section 13A of the Income-tax Act has been amended so as to provide for additional conditions for availing the benefit of the said section which are as under:

- (i) No donations of Rs.2000/- or more is received otherwise than by an account payee cheque drawn on a bank or an account payee bank draft or use of electronic clearing system through a bank account or through electoral bonds.
- (ii) Political party furnishes a return of income for the previous year in accordance with the provisions of sub-section (4B) of section 139 on or before the due date under section 139 of the Income-tax Act.

XI. Depreciation Schedule in ITR-3, ITR-5 & ITR-6 modified:

CBDT had vide Income-Tax (Twenty Ninth Amendment) Rules, 2016, dated 07-11-2016, restricted the highest rate of depreciation for any block of asset to 40%. i.e. all block of assets which were eligible for depreciation at the rate of 50%, 60%, 80% or 100% would be eligible for depreciation at the rate of 40%.

The following additional information is required to be disclosed in Schedule DPM:

- Depreciation disallowed under section 38(2) of the Income-tax Act, 1961.
- Net aggregate depreciation.
- Proportionate aggregate depreciation allowable in the event of succession, amalgamation, demerger etc.
- XII. In case of non-residents, the requirement of furnishing details of any one foreign Bank Account has been included for the purpose of credit of refund. This will ensure that the Non Resident Assessees can get the refund directly to their account.
- XIII. Individual taxpayers who are filing income-tax return in Form ITR 2 or ITR 3 or ITR 4 aren't required to mention the gender, i.e., male or female or transgender, as the column of gender has been removed.
- XIV. Income from Transfer of Carbon Credits Applicable for ITR 2, 3, 5, 6, 7.
- XV. The new ITR Forms require separate reporting of both profit and loss (and not on net basis) in Part A-OI, Schedule BP (Computation of income from business or profession) and Schedule ICDS. [ITR 3,5 and 6].
- XVI. As per section 115B, "where the total income of an assessee includes any profits and gains from life insurance business, the profits of life insurance business is taxable at a special rate of 12.5%. The profit u/s 115B is taxable in the Schedule SI of ITR-5 & ITR-6.
- XVII. By the Finance Act, 2017, w.e.f 01.04.2018, where the assessee incurs any expenditure in respect of which a payment or aggregate of payments made to a person in a day, otherwise than by an account payee cheque drawn on a bank or account payee bank draft, *[or use of electronic clearing*]

system through a bank account, exceeds ten thousand rupees], no deduction shall be allowed in respect of such expenditure. Earlier, the limit of Rs. 20,000 is allowed. The change is made in ITR 3, 5 & 6 now the assessee has one more option of payment i.e. electronic clearing system and the limit of 20,000 is decreased to Rs. 10,000.

XVIII. The scope of deduction u/s 43B is extended by the Finance Act, 2017, w.e.f. 01.04.2018 which includes:

"as any sum payable by the assessee as interest on any loan or advances from a scheduled bank [or a co-operative bank other than a primary agricultural credit society or a primary co-operative agricultural and rural development bank] in accordance with the terms and conditions of the agreement governing such loan or advances, or"

Now, the deduction is allowed to the assessee for interest payment to the co-operative bank other than a primary agricultural credit society or a primary co-operative agricultural and rural development bank also. Therefore, this particular payment is added to both the clauses "if debited but disallowable" and "disallowed but allowable" in Part A- OI (Other Information) *and the assessee have to fill the column whichever is applicable.* (Applicable for ITR 3, 5 and 6).

8. PROCESSING OF RETURNS BY CPC: RELEVANT AMENDMENTS AND CBDT INSTRUCTIONS

• Sub-section (1) of the section 143 provides for mandatory processing of return of income made under section 139, or in response to a notice under sub-section (1) of section 142. Clause (a) of the said sub-section provides that at the time of processing of return, the total income or loss shall be computed after making the adjustments specified in sub-clauses (i) to (*vi*) thereof. Further, it is necessary to process a return of income and send resultant intimation before expiry of one year from the end of the financial year in which the return was made.

Sub-clause (*vi*) of clause (*a*) of sub-section (1) of section 143 of the Act as introduced *vide* Finance Act, 2016, w.e.f. 1-4-2017, while processing the return of income, prescribes that the total income or loss shall be computed after making adjustment for addition of income appearing in Form 26 AS or Form 16A or Form 16 (the three Forms) which has not been included in computing the total income in the return.

However, with a view to restrict the scope of adjustments, Finance Act 2018 inserted new proviso to the said clause to provide that no adjustment under sub-clause (vi) of the said clause shall be made in respect of any return furnished on or after the assessment year commencing on the first day of April, 2018.

- Further, from A.Y. 2017-18, discretion of Assessing Officer in processing returns under scrutiny has been completely removed and therefore, all returns have to be processed as per provisions of section 143(1) of the Act. This is irrespective of the fact whether in cases under scrutiny, the Assessing Officer is contemplating taking recourse under section 241A of the Act to withhold the refund so arising on ground of concern for recovery of revenue.
- The CBDT has launched software for processing of returns on Income-tax Business Application (ITBA) which has been functioning since 31st October, 2017. The returns pushed to the Assessing Officer for processing by the CPC are required to be processed electronically on the ITBA. However, in exceptional circumstances, whenever returns cannot be processed because of technical difficulties in functioning of ITBA, in order to provide an uninterrupted taxpayer service, the Assessing Officer can also manually process the return that is pushed to them by the CPC with prior administrative approval of Pr. CIT. However, before taking up the return for processing manually, the

difficulty being faced in processing the return electronically on ITBA on a case to case basis would be referred to the Pr. DGIT (System,) who shall satisfy himself that due to technical difficulties the return cannot be processed electronically on ITBA within a reasonable period & thereafter, permit manual processing in that case. However, in all such cases, the Assessing Officers have to mandatorily upload the same in the system.[CBDT letter No.F.NO.225/53/2018/ITA.II], DATED 28-3-2018]

It has further been clarified that, to avoid any arbitrariness, the returns of Assessment Year 2017-18 and onwards which are pushed by the CPC to the Assessing Officer for processing, shall be handled in a chronological manner.

• *Bogus claims in ITRs'*: In this connection, the attempt of salaried taxpayers to under-report income or inflate deductions aided and abetted by unscrupulous intermediaries has been noted with concern by CBDT in its recent advisory.

Recently on 18.04.18, CPC has issued an advisory stating that the Income Tax Department has an extensive risk analysis system aimed at identifying persons who are non-compliant and aim to subvert the trust based system envisioned while processing of ITRs at CPC Bangalore. In all such cases of high risk, the Department may examine and verify the details submitted by taxpayers in their ITR, subsequent to processing of returns in CPC.

It is warned in clear terms that if the Department notices any fraudulent claims in the returns, such tax payers may be punishable under various provisions of the Income Tax Act. This may also delay issuance of refunds in such cases.

CBDT has gone one step ahead and warned that Department may also prosecute the intermediaries and abettors under relevant sections of the Income Tax Act and may refer such cases to other law enforcement agencies for appropriate action. Hence, the Department also advises all intermediaries to strictly confine their advice to taxpayers within the four corners of the Income Tax Act.

9. PROCESSING OF RETURNS BY CPC : SOME CONCERNS

Processing of returns at CPC is fully system driven. The systems and processing softwares are designed to apply precisely applicable provisions of Act and Rules, while processing the returns. However, there are certain issues faced by taxpayers which need immediate attention and corrective action by CPC.

To note a few:

- Self Assessment Taxes paid in one month but return filed belatedly:- In such case the interest u/s 234A should not be levied after the date of payment of Self Assessment Tax. [CIT v. Pranoy Roy 309 ITR 231 (SC)]. However, since in case of Prannoy Roy S.A. tax was paid before due date, CPC levies interest u/s 234A up to the date of filing of return, if the Self Assessment Tax is paid after due date u/s 139(1). Broad view, if taken by CPC in spirit of ratio laid down by Supreme Court, will be in the best interest of justice.
- Post-rule 37BA(3) credit for tax deducted at source and paid to the Central Government shall be given only for the assessment year for which such income is assessable and, accordingly, deductee would have to defer his claim of TDS credit till the revenue recognition in subsequent year/years. To handle the situations and to make sub-rules (3) and (4) of rule 37BA workable, corresponding procedural changes have been made by CBDT in ITRs' w.e.f. A.Y. 2014-15 to allow carry forward of TDS to next Assessment Year and credit of unclaimed TDS brought forward. CPC give credit for the brought forward TDS, provided the processing of the year in which TDS was deducted was done by CPC. This facility is required to be extended by rectification for other cases. Column relating to 'Credit of TDS brought forward', if added in form 26AS, would serve the purpose.
- In case of inter head set off of losses, when loss from one head is allowed to be set off against the income available under more than one heads, there is no priority defined under the Act for set off. In such situation, as per settled legal principles, priority beneficial to assesse should be followed. However, CPC while **processing** returns follows the loss set off priority beneficial to revenue resulting in to disputed demands.

There are various such issues relating to processing of returns by CPC which needs to be addressed by CPC to reduce the litigation and to reduce the infructuous demands.

10. PRECAUTIONS TO BE TAKEN AT THE TIME OF FILING OF ITR TO ENSURE CORRECT AND TIMELY PROCESSING OF RETURNS

- I. Keep monitoring Form 26AS online over TRACES on periodic intervals for early trapping of the inconsistencies therein, if any due to fault of deductor.
- II. Follow the procedural guidelines prescribed by Rule 37BA, wherever necessary.
- III. Reconciliation of disclosed Income with Form 26AS.
- IV. Claims for TDS of earlier years on account of difference in method of accounting i.e. deductor following mercantile and deductee follows cash system. In such cases it should be ensured that the SCHEDULE-TDS is properly filled up specifying that the financial year in which TDS has been deducted by the Deductor.
- V. There should not be under reporting / mis-reporting of Income in Return or claims to avoid penalty u/s 270A.
- VI. Deductions claimed from Capital Gains in earlier years on account of investments (i.e. Capital gains investments in capital gains scheme account for subsequent investment) and no subsequent investments made thereafter in the time specified.
- VII. Claims and deductions under Chapter VIA should not be made out of exempt income/non-taxable income.
- VIII. Voluntary disallowance u/s 14A, if applicable may be computed and shown in the return.
- IX. Voluntary offer of income u/s 68, 69, 69A, 69B, 69C, 69D in ITR to get immunity from penalty u/s 271AAC, etc.

11. NEW BUSINESS CODES FOR A.Y. 18-19

CBDT has changed nature of business codes for income tax return forms from A.Y. 18-19. Before filing of Income tax return, correct business sector along with correct business code has to be selected. List of Business codes for ITR forms for A.Y. 2018-19 is mentioned in annexure attached at the end.

12. RECOMMENDATIONS

It is always advisable to select the correct ITR form and file the return. The assesse can also use the higher version of the forms but in that case the requirements mandated in that version has to be given otherwise the return may not be validated on the ITD and may become defective.

It needs to be ensured that if there is a revision of return, the Total Income reported in the Original Return should not be lesser in the Revised Return which may lead to other intricacies. Intimations u/s 143(1), defect notices u/s 139(9), show cause notices u/s 245 for refund adjustments etc. received from CPC should be properly attended on timely basis to avoid further complexities.

The uploading of Return of Income is tracked through IP Address of the filer. Therefore, proper representation and authority from the filer be obtained as per the Standard operating practice prescribed by the ICAI. Further, the provisions of the Information Technology Act, 2000 needs to be considered carefully in the era of E-assessment. It is advisable to update your latest Aadhar linked mobile No. and e-mail id in the profile on e-filing portal as well as in return of income.

Lastly, methodologies in return forms don't prevail over Income Tax Act. Rule 12(1)(a) of Income-tax Rules and Form for filing return of income couldn't go beyond the provisions of the Act. Whenever there is confilct between provisions of the Act and relevant procedural schema in ITR forms, Act shall prevail (*3F Industries Ltd. Vs. Jt.CIT* [2014] 44 taxmann.com 200 (*Visakhapatnam*).
