PRESIDENT, ICAI

My Dear Students,

Only if we understand, comprehend and value our past, we can build a bright progressive future.

This month is extremely significant and dear to our heart as 1st July, 2023 marks the 75th Chartered Accountants' Day. This year also we are marking the Amrit Kaal for our beloved nation as we are celebrating the 75th year Anniversary of the Independence of India as well. It gives me immense pride to address you considering an important and joyous milestone that the Institute of Chartered Accountants of India (ICAI) is about to commemorate.

Recognition and Establishment of Concept of Accounting: Initiation of Regulation of Profession

The concept of accounting is as old as the economy itself. The necessity for financial management was realised as the human intellect evolved, and an organised economy emerged. ICAI was legally conceptualised for regulating the profession of Chartered Accountancy in the country soon after Independence, when nation's leaders were giving shape to the economic structure.

Magnitude of Members and Students ICAI since Inception till date: A Projection of wholesome Growth

In the last 75 years of its existence, ICAI has contributed immensely towards the growth and development of our country. On 1st July, 1949 when the Institute was set up the number of members were **1689** which stands to **3,82,582** till date and the number of students has grown to **8,05,167**.

Major Landmark Refinements in the Course Curriculum over the past 75 years: Consistent Upgradation of capabilities

In the last 75 years some important path-breaking changes have taken place which have enhanced the relevance of our curriculum in accordance with the dynamic needs like Common Proficiency Test (CPT) was introduced, three and a half years practical training started, elective papers were introduced at Final Level which were open book and case study based. Again, Foundation was introduced in the place of CPT in which two papers were descriptive and two papers objective. These changes took place in accordance with the changing times and requirements of the economy and country in the accounting and auditing field.

New Course Curriculum: Integrating NEP 2020 and dynamic Trends

The New Scheme of Education and Training has been notified in the Gazette of India on 22nd June, 2023 and will come into effect from 1st July, 2023. The details of the same can be viewed on www.icaai.org.

International Course Curriculum: The New Age Curriculum aimed at imparting Global Competitiveness

ICAI is going to introduce International Curriculum for developing Global Competitiveness in line with the Vision 2030 of ICAI.

The Salient Features of the above are as below:

- Single common curriculum for both Indian and International students, with the exception of country specific tax and law papers.
- Practical training under an eligible member of an IFAC member body.
- Online two-level soft-skills and information technology training

I would like to urge the aspiring professionals among you to uphold the pride of this noble profession. As article trainees, you can render the best quality services by engaging in diverse assignments for various clients, thereby facilitating their progress through knowledge sharing.

As our students, you represent a prestigious profession with substantial duties to society, the nation, yourself, and the firms where you are gaining practical experience. Our profession's success is heavily dependent on your hard work.

This **1st of July**, we wish to rededicate ourselves to the virtues that we had adopted in our profession and affirm to imbibe them with renewed commitment.

With Best Wishes

Dear Students,

Ascending to the pinnacle demands fortitude, whether it pertains to conquering Mount Everest or reaching the zenith of your professional journey. As we anticipate the imminent release of the results for the May 2023 CA Examination, I extend my best wishes to all the students who have appeared in the exams. For those who may not have achieved the desired outcome due to various reasons, I implore you not to lose heart but rather embark on meticulous preparations for the forthcoming attempt. Failure does not signify an inability to succeed; education is an incessant process, and diligent efforts will undoubtedly yield the finest outcomes.

SSEB remains resolute in its commitment to provide aspiring Chartered Accountant students with the training of unparalleled global standards as they prepare to venture into a professional realm brimming with challenges and opportunities. While affording them the freedom to soar, ICAI-SSEB recognizes the need to establish a training and learning system that fosters the highest values and encourages students to aspire to distinguished objectives.

Introducing innovation and dexterity that truly matter, SSEB imparts comprehensive knowledge to pave the way for integrated personalities, striking a harmonious balance between modern perspectives and traditional values.

Student Activities

For the first time, the Pick Deck Contest has been conceived as a novel activity to be conducted under the auspices of the CA Students National Talent Contest, 2023. The objective is to nurture an entrepreneurial mindset, fostering creativity, resourcefulness, and adaptability in the face of uncertainty and risk. The Branch Level Contests for Elocution and Pitch Deck were held between the 3rd and 12th of June 2023, while the winners at the Branch level proceeded to compete at the Regional Level Contests, held between the 6th and 21st of June 2023. The victors of the Regional Level Elocution and Pitch Deck Competitions finally contend at the National Level (Grand Finale) of the CA Students National Talent Contest, 2023, scheduled on the 28th of June 2023 at Mumbai. SSEB is planning to organize more activities under the banner of the CA Students National Talent Contest, 2023. I hereby encourage all students to actively participate in the forthcoming activities organized as part of the CA Students National Talent Contest, 2023.

During the month of June 2023, National Conferences were held in Ernakulam, Indore, Mangalore, and Kolkata, while Mega CA Students Conferences took place in Guwahati and Nagpur. Additionally, State-Level CA Students Conferences were conducted in Amravati and Meerut. The Mega-Conference of CA Students in Guwahati was inaugurated by His Excellency Shri Gulab Chand Kataria, the Hon'ble Governor of Assam, on the 10th of June 2023, and the Mega-Conference in Nagpur was inaugurated by Shri Nitin Gadkari, the Hon'ble Minister for Road Transport and Highways, on the 16th of June 2023. In light of the remarkable response, we are planning to organize a greater number of conferences in the coming months. Further conferences are slated to be organized in Aurangabad, Pimpri Chinchwad, Jamnagar, Jaipur, and Baroda during the month of July 2023, in response to the overwhelming encouragement received from students who actively participated in these conferences.

Conferences, conventions, and elocution contests present you with a chance to grace the podium and address a large gathering. Many accomplished speakers candidly confess that they were initially nervous when they first took the stage. However, one can become a proficient orator with determination. Seek out opportunities and actively participate.

Further, the batches for the Four Weeks Residential Programme are scheduled to be conducted at the Centers of Excellence in Hyderabad and Jaipur. I strongly urge students to avail themselves of this unique opportunity.

Furthermore, it is a moment of immense pride that ICAI is entering its 75th year on the 1st of July 2023. This significant milestone is a testament to the unwavering dedication, relentless pursuit of excellence, and visionary leadership that has propelled ICAI to the forefront of the accounting profession. As we embark on this remarkable journey, let us reflect on the rich legacy of the Institute and its invaluable contributions to the realm of accountancy. It is a time for us to celebrate the countless accomplishments and milestones achieved, and to reaffirm our commitment to upholding the highest standards of professional integrity and ethics. May this momentous occasion inspire us to forge ahead with renewed vigor, embracing innovation, and driving positive change in the profession as we continue to nurture the next generation of Chartered Accountants.

Best wishes for all your future endeavours and may blessings from above be bestowed upon you.

(CA MANGESH PANDURANG KINARE)
CHAIRMAN, SSEB

- The ₹2000 denomination banknote was introduced in November 2016 under Section 24(1) of RBI Act, 1934, primarily to meet the currency requirement of the economy

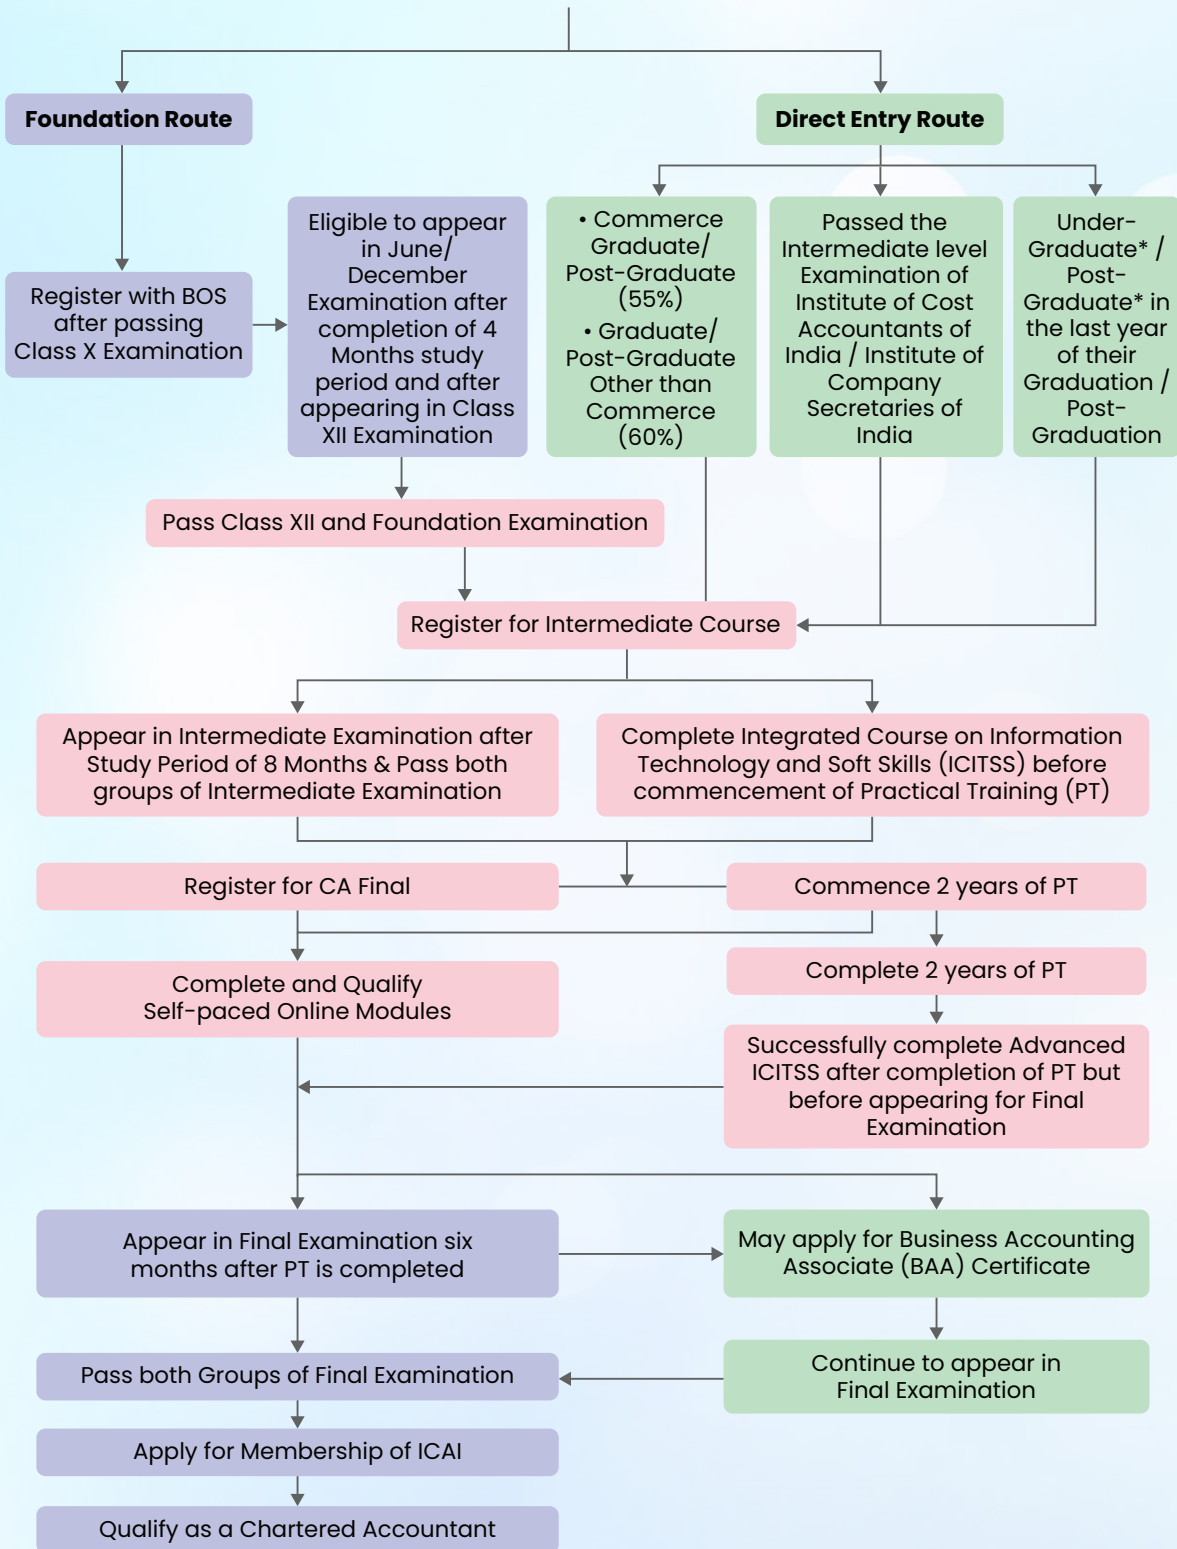

in an expeditious manner after the withdrawal of legal tender status of all ₹500 and ₹1000 banknotes in circulation at that time.
